

Charge range S

Plug

Desk-top

Model	Description	Range	Type	Dim.
FPC 12V 0,7A	Power Supply 12V, 0,7A	2-7.2 Ah	plug	85x55x90
FPC 12V 1A	Power Supply 12V, 1A	4-12 Ah	plug	85x55x90
FPC 12V 2A	Power Supply 12V, 2A	9-20 Ah	desk-top	118x45x65
FPC 12V 4A	Power Supply 12V, 4A	17-45 Ah	desk-top	118x45x65
FFC 12V 4A	Fast Changer 12V, 4A	17-45 Ah	desk-top	118x45x65

Available output connectors

XLR3 CONN.

FASTON (6.3)

CIGARETTE SOCKET

EYELET (M6)

CLAMP

FIAMM: clean multipurpose energy

FIAMM is leader in a market where applications requiring SLA (Sealed Lead Acid) batteries are continually growing and diversifying.

Complete range, differed for standby, cycling and fast discharge use; careful control of the entire manufacturing chain; products always available on a stock with a rotation which guarantees a battery always at maximum performance; detailed distribution network; application consultancy by a team of energy storage experts with decades of experience: these are the reasons that make FIAMM a reliable reference for designers, engineering offices and electrical installers who want to be sure of

the solution and the correct choice of the product. All FIAMM batteries are specifically designed in order to optimize performance, reliability and autonomy time.

FIAMM batteries are of the VRLA type (Valve Regulated Lead Acid) and do not require any maintenance.

The applications range over the emergency lighting, security, power back up systems, telecommunications and light duty motive power.

FIAMM also pursues innovation with the development of electronic integrated solutions that have the battery as their core.

Industrial Batteries

FIAMM

Industrial Batteries

All FIAMM batteries have been specifically developed to enhance economy of operation, reliability and energy output.

The values reached in these areas position FIAMM batteries among the very best presently available on the market.

They represent the ideal solution for all applications.
